**Veterinary Report : Lot 302 MAKE WAY FOR GLORY Box: L 295 Bay Filly,
Brand : 0181, Property of Mrs Cournane, Dianne**

On Tuesday 09-02-2021 Make Way For Glory was examined for a wound to the pastern. The wound had penetrated the skin, but did not extend into the deeper tissues. The wound was cleaned and bandaged and she was given antibiotics, anti-inflammatories and a tetanus antitoxin. The wound was examined Friday 12-02-2021 and is healing well, there is minimal swelling in the surrounding tissues and she is walking sound on the limb.

This wound is superficial and is not considered likely to have any negative impact on future soundness.
